Independent Auditors' Report

To the Board of Directors of
Beckley Area Foundation, Inc.
Beckley, West Virginia

Opinion

We have audited the accompanying financial statements of the **Beckley Area Foundation, Inc.** (a non-profit corporation), which comprise the statement of financial position as of March 31, 2024 and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the **Beckley Area Foundation, Inc.** as of March 31, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Beckley Area Foundation, Inc.** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Beckley Area Foundation's** ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

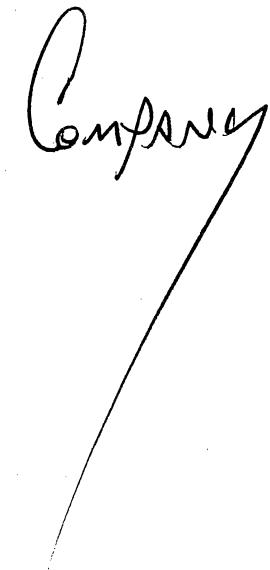

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Beckley Area Foundation's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Beckley Area Foundation's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the **Beckley Area Foundation, Inc.'s** 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated June 20, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended March 31, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

BECKLEY AREA FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Nature of Foundation

Beckley Area Foundation, Inc. (“the Foundation”) is a not-for-profit community foundation incorporated under the laws of West Virginia.

The Foundation accepts donations to permanent endowment funds, invests and manages such donations, and distributes net earnings of the endowment funds as grants and scholarships, generally on an annual basis. Funds held include named unrestricted funds whose earnings are distributed solely at the discretion of the Foundation’s Board of Directors as well as funds whose earnings are distributed subject to the designation or advice of the donors. All distributions are subject to the approval of the Board of Directors.

Note 2 – Significant Accounting Policies

CONTRIBUTIONS: Contributions received are recorded at their fair market value on the date received. Contributions received for which the donor directs to be added to a donor-restricted endowment fund are reported as with donor restrictions.

USE OF ESTIMATES: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported revenues and expenditures during the reporting period. Actual results could differ from those estimates as additional information becomes known.

CASH AND CASH EQUIVALENTS: Cash and cash equivalents consist of cash held in checking accounts. The checking accounts are insured to limits set by the Federal Deposit Insurance Corporation. At various times during the fiscal year, the Foundation’s cash in bank balances exceeded the federally insured limits, however, the Foundation does not believe this results in exposure to significant credit risk on cash balances.

INVESTMENTS: Investments are stated at their fair market value based on price quotations available in the open market and supplied by three local banking institutions, and all investments are readily marketable and subject to market risks in the amount such investments are recorded. Cash and equivalents consist of cash and money market funds. Dividends and interest earned, unrealized and realized gains or losses, trustee fees and administrative charges are allocated among endowment funds on a pro-rata basis.

PROPERTY AND EQUIPMENT: The Foundation capitalizes property and equipment expenditures over \$1,000. This cost is charged to operations as depreciation on a straight-line basis over estimated useful lives of the assets. All assets currently on hand are being depreciated over five to forty years. Repairs and maintenance are charged to operations as incurred.

GRANTS PAYABLE: Grants and scholarships awarded by the Foundation are approved by the Board of Directors and recorded as expenditures at the time of approval.

GEOGRAPHIC CONCENTRATION: The Foundation receives its donations and awards grants and scholarships primarily in Raleigh County, West Virginia and counties contiguous thereto.

BECKLEY AREA FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

Note 2 – Significant Accounting Policies (Continued)

INVESTMENTS AND SPENDING POLICIES: The Board of Directors of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. The Foundation classifies as net assets with donor restrictions (1) the original value of gifts donated to the permanent endowment, (2) the original value of subsequent gifts to the permanent endowment, and (3) accumulations to the permanent endowment made in accordance with the direction of the donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed in UPMIFA.

The Foundation considers (1) the preservation of the fund, (2) the purposes of the Foundation and the donor-restricted endowment fund, (3) general economic conditions, (4) investment returns, and (5) the investment policies of the Foundation in making a determination to appropriate or accumulate donor-restricted endowment funds.

In order to satisfy its long-term objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation to achieve its long-term return objectives within prudent risk constraints. The goals of the Foundation's investment policy are to provide maximum income commensurate with safety of principal and achieve stable capital growth.

To achieve its long-term investment goals the Foundation invests in obligations of the United States government, obligations of agencies of the United States government, mutual funds, corporate bonds and equity holdings. The investments are held in the trust departments of three local banking institutions which are given guidelines on diversification of assets to avoid undue risk concentration.

Subject to the terms of any fund agreement, the Declaration of Trust and / or West Virginia law, the amount that the Foundation makes available for grants from each fund is calculated by computing 3.5% of the twelve quarter rolling average of the market value of the fund as of December 31st of each year. Grants are reviewed and approved by the Board of Directors.

Should the total market value of any fund fall below the initial principal plus additional contributions to the principal, no distributions will be made unless authorized by the fund agreement or the Board of Directors as permitted by law.

DONATED SERVICES: Many individuals have made significant contributions of their time to manage and operate the Foundation. The value of this contributed time is not reflected in these financial statements since it is not susceptible to objective measurement or valuation.

NON-CASH GIFTS: When gifts are received for non-cash assets, the Foundation uses available resources to determine the fair value of the gift and recognizes revenue at that amount.

BECKLEY AREA FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

Note 2 – Significant Accounting Policies (Continued)

CLASSIFICATION OF NET ASSETS: The Foundation reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions as required by the Financial Accounting Standards Board in its Accounting Standards Codification Topic 958 – *Not-for-Profit Entities* (FASB ASC Topic 958).

Interest, dividends, unrealized and realized gains or losses from various named unrestricted donor-designated funds, contributions not classified as with donor restrictions, the four general discretionary board-designated endowment funds and the operating non-endowment fund are classified as net assets without donor restrictions in the financials.

Net assets with donor restrictions consist of contributions received with donor stipulations that restrict the use of the donated assets. When the donor restrictions expire due to a time restriction ending or a purpose restriction being fulfilled, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Net assets released from restrictions for the year were for grants, scholarships, administrative fees, trustee bank fees and neighborhood investment program (NIP) fees. Net assets with donor restrictions also consist of the realized and unrealized gains or losses, interest and dividends earned by donor restricted endowment funds and the cash value of a life insurance policy that names the Foundation as the beneficiary.

ADMINISTRATIVE FEES: The Foundation's policy is to assess each fund maintained a monthly administrative fee calculated by multiplying the market value of each fund by the administrative fee rate. The rate was 0.07% for the years ended March 31, 2024 and 2023 respectively. These fees are used by the Foundation to pay for administrative costs incurred in maintaining the funds and managing the Foundation. The Foundation is able to waive the monthly administrative fee if management determines the fees are not needed for operations. Administrative fees for the years ended March 31, 2024 and 2023 were \$527,651 and \$468,340 respectively.

For financial statement purposes, the administrative fee income assessed by the Foundation for the funds is netted against the administrative fee expense recognized by the funds. These amounts net to zero.

FAIR VALUE OF FINANCIAL ASSETS AND LIABILITIES: The Foundation follows FASB ASC Topic 820 - *Fair Value Measurements* which introduces a framework for measuring fair value of certain assets and liabilities. FASB ASC Topic 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. FASB ASC Topic 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value: Level 1 – Quoted prices in active markets for identical assets or liabilities; Level 2 – Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

INCOME TAXES: The Foundation is exempt from federal income taxes under Section 501(c) (3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been recorded. There were no unrecognized tax benefits identified or recorded as liabilities for the years ended March 31, 2024 and 2023.

BECKLEY AREA FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

Note 2 – Significant Accounting Policies (Continued)

ENDOWMENT FUNDS: The Foundation’s endowment consists of individual donor-restricted funds established for a variety of purposes and four general unrestricted board-designated funds. Net assets of the endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The board designated amounts are used to provide funding for the community grant program and other community needs as they arise.

Note 3 – Investments

Investments, stated at fair market value at March 31, 2024 and 2023 include:

	2024		
	Cost	Fair Value	Net Unrealized Gain (Loss)

Note 8 – Market Decline in Endowment Fund Assets

The Foundation does not guarantee losses in the market value of investments if the investments' values decline to an amount where the underlying value of the funds is less than amounts donated to the fund. Accordingly, the Foundation may administer funds that have valuation deficiencies, and has adopted a policy suspending grants from funds if such a deficiency exists.

There were no deficiencies on March 31, 2024. On March 31, 2023 deficiencies of \$1,208,226 existed in 23 donor restricted endowment funds which have historical gift values of \$12,755,757 and current fair values of \$11,547,531.

BECKLEY AREA FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

Note 9 – Cash Surrender Value of Life Insurance

The Foundation is the owner and beneficiary of a life insurance policy. The donor of the policy contributes the annual premiums to the Foundation, which in turn remits the premium to the life insurance company.

Note 10 – Prior Year Summarized Comparative Information

The statements of activities include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended March 31, 2023 of the prior year, from which the summarized information was derived.

Note 11 – Availability of Financial Assets

The following reflects the Foundation's financial assets as of March 31, 2024, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year. Amounts already appropriated for expenditure within one year have not been subtracted as unavailable.

Cash and cash equivalents	\$ 196,741
Accrued interest receivable	195,595
Investments	73,006,290
Cash value of life insurance	37,133
Financial assets	<u>73,435,759</u>
Less those unavailable for general expenditure within one year, due to:	
Contractual or donor-imposed restrictions	
Donor-restricted endowment funds	(66,346,257)
Cash value of life insurance	(37,133)
Board designations:	
Long-term investing, primarily for community grant program	<u>(6,748,103)</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 304,266</u>

The Foundation is supported by the administrative fees assessed to each endowment fund and contributions without restrictions received from donors. Income from donor-restricted endowments is restricted for specific purposes and, therefore, is not available for general expenditure. Though the Foundation could draw upon board designated funds in the event of financial distress or an immediate liquidity need resulting from events outside the normal course of operations, the intent of the Foundation is to continue to use the board designated funds to provide income for the community grant program and other community needs as they arise.

Note 12 – Subsequent Events

The Foundation has evaluated subsequent events and transactions as of August 16, 2024, the date the financials were issued. No subsequent events or transactions had occurred that would have materially impacted the financial statements as presented.
