Positive growth. There has been a focus on positive growth since time began. We measure it, take pride in it and often consider it to be the driving force behind our actions. If growth is less than expected we aim to increase it and if it exceeds our expectations we carefully examine all the details that have encouraged that growth so as to continue in a repetitive pattern. Growth inspires us to move forward.

Beckley Area Foundation exemplifies positive growth. Established in 1985 with a $1.1 million dollar gift, Beckley Area Foundation has grown to be a driving force in our community. Our strength is reflective of our support and our support comes from people with a vision for growth and a passion for giving back to the community.

It is essential to have an accurate picture of the past and the present in order to plan for future growth. Since we have a clear picture of the past, let’s look at where we are now and make that plan for the future. Beckley Area Foundation has more than 440 individual funds, with 69 of those being unrestricted. Our total assets have grown from that $1.1 million to more than $36.5 million. This is because you have generously donated to ensure a future that is indeed moving forward.

We need people like you to share your collective vision for our community. I encourage you to respond to 2016 by contributing to BAF. The future of our community will surely be inspired by the plan you have for positive growth and moving forward. You can give back by donating as a memorial gift, donating to an existing fund or establishing a new fund. Your gift is never too small. It will be appreciated and recognized as a contribution now and for the future.

Always, thank you for being the driving force that keeps us moving forward by giving back.

Sincerely,
Conrad F. Cooper
President, BAF Board of Directors

The Raleigh County Historical Society was awarded one of this year’s Community Grants, to research and nominate the Beckley Grist Mill to the National Register of Historic Places. Research indicates that Alfred Beckley had the water-powered mill constructed along Piney Creek to encourage commerce and settlement in 1836.
Mission

The Beckley Area Foundation, Inc. is a community foundation organized exclusively for charitable and educational purposes. The mission of the organization is to encourage philanthropic giving by providing an accessible means for contributions to be made to permanent endowments that benefit charitable concerns related to education, health and human services, the arts, public recreation, and civic beautification. Grants shall be made for the purpose of improving the quality of life in our communities and leaving a legacy for upcoming generations to build upon.
HOW DOES A COMMUNITY FOUNDATION WORK?

1. DONORS
   Individuals, families, businesses, and organizations contribute to the Foundation for a number of reasons including: to pay tribute to someone who impacted their life, to leave a legacy for future generations to build upon, to ensure their favorite charities are supported in perpetuity, and to make a difference in our area both today and for years to come.

2. MAY CONTRIBUTE MANY TYPES OF ASSETS
   Donors may contribute cash, stocks, bonds, securities, retirement assets, real estate, and more. The donor receives the maximum charitable and tax benefits for their gifts. Donors may also leave testamentary gifts designating BAF as the beneficiary.

3. TO THE BECKLEY AREA FOUNDATION
   The Beckley Area Foundation is a 501(c)3 public charity and is confirmed in compliance by the National Standards for U.S. Community Foundations.

4. TO CREATE OR SUPPORT A FUND
   Donors can establish a fund with a minimum gift of $2,000 and build over a five-year period, or immediately start a fund with a $10,000 donation. Named discretionary funds require a gift of $5,000. Furthermore, anyone can make contributions in any amount, to any existing fund.

5. WHICH IS CAREFULLY INVESTED
   BAF provides excellent stewardship of funds, which are pooled for investment purposes, and a designated portion is managed by each of our 4 trustee banks: City National, First Community, JP Morgan Chase, and United.

6. TO EARN INCOME FOR GRANTS & SCHOLARSHIPS, IN PERPETUITY
   Only the income earned from the investment of each fund’s assets is spent. The principal remains intact forever, creating a lasting source of funding to meet the needs of our communities today, and for generations to come.

Your generosity at work...

Creativity, dedication, diligence, and resources working in tandem are at the heart of the Students First Mini Grant program. As a community foundation, BAF believes in investing in the future, and this program invests in one of our greatest resources for a positive and productive future—our children. BAF and the Carter Family Foundation combined resources to issue these grants totaling $14,984.25. During the nineteen years of this program $182,877 has been awarded to support classroom teachers and their students.

Above: Brenda Caperton (1949-2016), was a dedicated wife, mother, and grandmother. Her family came first, but that didn’t stop her from being a true gift to this community. She was actively involved in many businesses and charitable organizations, and will be missed tremendously.

**Shop with Purpose**

Do you shop at Kroger?  
If so, consider registering your Kroger Rewards Card at their website and a portion of every purchase will go to our Community Grant Program. Visit http://krogercommunityrewards.com, login or sign up, search for the Beckley Area Foundation under the “Community Rewards Program” and designate us as your recipient. So simple, and it will make a real difference in our community.

Do you shop on Amazon?  
If so, make sure to use smile.amazon.com and select BAF as your designated charity!

You will find the exact same low prices, vast selection and convenient shopping experience as amazon.com, with the added bonus that Amazon will donate a portion of the purchase to your community foundation. Please share and thanks for your continued support!

Legacy Society

The Legacy Society gives us an opportunity to acknowledge individuals who plan to leave a gift to the community through the Beckley Area Foundation. Some Legacy Society members have made provisions for a gift to the Foundation through their wills. Others will make a gift of assets by establishing a charitable remainder trust for the ultimate benefit of BAF while retaining the income during their lifetimes. Other donors have named BAF as the owner and beneficiary of a new or existing insurance policy. Each donor realizes that his or her charitable interests will be carried out in perpetuity. Beckley Area Foundation has already received $7,842,145.78 in gifts as a result of charitable bequests.

Members of the Legacy Society include:

- Cynthia Bickey
- Joyce Brivies
- Peggy Cook
- Polly Cook

James and Eileen W. Collins Absher Scholarship Fund

David and Becky Absher, along with their daughter Deirdre, initiated efforts to build this scholarship fund as a memorial to David’s parents. Jim, a US Army Air Force corporal, met Eileen in London during World War II. They were married in England, and at the end of the war Jim brought his wife and daughter home to the family homestead near Hawks Nest State Park. David was born after they built the home where they spent 60 years of marriage. Jim worked in the family-owned sawmill and general store, was a coal miner and retired from the WV Division of Highways as the Fayette County Supervisor of Roads. Proud grandparents, they taught family members “the value of an education, the importance of making a contribution to society, and our calling by God to help others.” Once the endowment is fully funded, an annual need-based scholarship honoring this couple will be awarded to a graduate of a Fayette County high school.

American Legion Post #70 Scholarship Fund

This permanent endowment was created in honor of American Legion Post #70, incorporated in 1943. At one time there were 300 members, all African American veterans living in the Raleigh County area. They have now merged with American Legion Post #32, and a portion of the proceeds from the sale of Post #70’s property was used to establish a need and merit-based scholarship fund. Income will be used for an annual scholarship to a Raleigh County African American high school graduate, with preference given to descendants of American Legion Post #70 members.

Barger Scholarship Fund

The children of Phil and Diane Barger started this scholarship fund as a lasting memorial to their parents’ commitment to education. Philip Jennings Barger was born in 1935, in Upper Glade, WV. He graduated from Cowen High School. He continued his education at the Merchant Marine Academy and through the Air Force was able to receive a B.S. from the University of Omaha and a M.S. from Texas A & M. An early computer scientist, he programmed navigation systems for the SR-71 Blackbird. He met and married Californian Diane Soderstrom in 1961. She had received her B.A. in romantic languages from Stanford. A great lover of the arts and an accomplished artist, she also mastered 7 languages. Regardless of where they lived across the nation, they always made it back to Webster County, WV, for high school and family reunions. The recipient of this scholarship award must graduate from a high school in Webster County, WV, and then pursue a major in a STEM (science, technology, engineering or math) discipline; furthermore, applicants must fulfill a STEAM requirement (submit evidence of a project they completed that incorporated art in STEM subject matter).

Scott Christiansen Memorial Fund

Scott was only 42 when he died in December 2014, after a 16 month valiant battle with cancer. He left a wife, four children, his parents, a brother and hosts of friends who cherish his memory. A year later, one such friend sent a significant memorial gift to BAF assuming it could be added to a fund named for Scott . . . but none existed. However, this thoughtful memorial gift began an unexpected chain of events. The Foundation had a challenge grant from the Massey Foundation that would match donations to existing or new unrestricted endowments. In short order, friends and family added their gifts. A lasting memorial has now been created for Scott, recognizing his devotion to his family, his adopted community, his friends and his profession as a pharmacist. His wife, Jennifer noted, “Our children share his genuine, positive disposition, radiant smile, and fun loving attitude.” Scott Evan Christiansen made a difference.

The File Girls Cystic Fibrosis Scholarship Fund

Rev. Ellen Lilly File established this endowed fund whose income shall be used for an annual scholarship award to assist students with Cystic Fibrosis in furthering their post-secondary education and becoming employable. Recipients must graduate from a West Virginia high school and have a confirmed diagnosis of CF. Preference will be given to Raleigh County, WV students. The renewable scholarship may be used for college, vocational or technical school.

Fund for Raleigh County

With the approval of the BAF Board of Directors, income from this donor-advised fund shall be used for such purposes and to such charities as the donor recommends.

Robert ‘Bob’ and Betty McLean Fund

Bob died in Oct., 2015; Betty died in 1997. They were parents of three children, active in the Beckley Presbyterian Church, valued members of the community and close friends to many. Bob was born in Beckley, graduated from WWHS, attended Hampden-Sydney College, graduated from Davis and Elkins, served in the U.S. Army earning the Bronze Star during the Korean Conflict, and became one of the state’s most respected Realtors. Sigmund-McLean Realtors developed McLean Addition, Old Mill Village, Stanaford Acres, Landmark at Carriage Drive, Pine Hills and...
Woodcrest. The McLeans were frequent donors to BAF funds, but had not created an endowment bearing their name. When making a donation in memory of Bob, Jay and Lisa Word realized that this much-loved couple did not have a fund that would forever recognize their place in our community. The Words generously created this named unrestricted permanent endowment, and others made additional memorial gifts.

**PUGH FAMILY FUND**

BAF board member and former Mayor of Beckley Emmett Pugh contacted family members and initiated efforts to create an unrestricted fund that honors three family patriarchs and their wives: Emmett S. Pugh, Sr. and his wife Jane Nicholson Pugh; Emmett S. Pugh, Jr. and his wife Virginia Minter Pugh; and Edward Nicholson Pugh and his wife Virginia Beerbower Pugh. As these individuals each contributed to the quality of life in Raleigh County, it is appropriate that the fund created in their honor will perpetually generate income to address future challenges and opportunities in our communities.

**RICHARD A. RICE FUND**

This donor advised fund (DAF) permits the donor to recommend non-profit, charitable organizations or programs to receive distributions of income from this permanent endowment. The recommendations must be reviewed and approved by the BAF Board of Directors to assure compliance with state and federal guidelines. This arrangement allows the donor to support various initiatives as community needs and opportunities change over time. The donor was able to take advantage of the NIP state tax credit offering when creating this endowed fund.

**TRACY AND MARTHA JANE RIFFE FUND**

Mrs. Riffe donated the family home on Croft Street to the Beckley Area Foundation. By prearrangement, BAF immediately sold the property to United Way of Southern West Virginia at a price far below the appraised value. The dollars BAF received were used to create this permanent endowment that will generate annual income to help maintain United Way’s office. This transaction served to create a lasting memorial to the donor’s husband, assured her that the family home would be updated and maintained, provided a significant charitable deduction to be used to reduce federal tax liabilities and established an ongoing source of mortgage-free United Way office. A graduate of WWHS and Beckley College, and a WWII veteran, Tracy Riffe spent most of his professional career with Beckley Federal Savings Bank where he served as president for many years. Martha Jane Phipps Riffe was employed at Beckley National Bank for twenty years. Married for 64 years, they have one daughter, Sue Ellen, married to Clark Sweepston of Flat Top.

**ROSE & QUESENBERRY FUNERAL HOME – HOSPICE REFLECTION POOL MEMORIAL FUND**

Michael G. Quesenberry, CFO, of Rose & Quesenberry Funeral Chapels designated that the annual income of this fund shall be used to maintain the reflection pool memorial at the Lucy Bowers Hospice House run by Hospice of Southern West Virginia. He is utilizing the Foundation’s “Building over Time” option to complete the endowed fund.

**PAUL MICHAEL SOMERVILLE MEMORIAL FUND**

Ginny Sue Somerville started this designated fund as a memorial to her stepson, Paul Michael Somerville. He was employed for 39 years by Asea Brown Boveri of Lewisburg, WV, in the engineering department. Michael died in 2014 at the Lucy Bowers Hospice House after a very short and courageous battle with cancer. Income generated by this fund will be used for the upkeep and maintenance of the beautiful gardens surrounding the Bowers Hospice House.

**ROSS C. TODD SCHOLARSHIP FUND**

This scholarship fund was established by a testamentary gift from the estate of Ross Clayton Todd. Ross was born and raised in Beckley and graduated from Woodrow Wilson High School. He lost his vision in 1967 at the age of 25. He trained in New York with the National Federation of the Blind and earned a Bachelor of Arts degree in psychology from Marshall University in 1979. The scholarship is designated to help blind applicants afford the cost of higher education.

**THE YURICK FAMILY FUND**

Following the untimely death of local musician and civic leader John Yurick, friends and family established a fund that will benefit the Beckley Concert Association, Theatre West Virginia and the West Virginia Dance Company. John, his wife Barbara, and his children Sam, Nick and Alice have each made extensive contributions to the arts and general quality of life where they live and work. John provided assistance and composed music for both TWV and WVDC for some 39 years. He taught students of all ages, many of whom won honors and awards. He worked with the Beckley Concert Association for many years as a volunteer board member, board president and eventually their first Executive Director. John performed solo piano and played with various groups in a variety of styles throughout the region. Additional donations in any amount are welcome to this “Building over Time” arrangement.

**BUILDING OVER TIME**

Donors can establish a fund with a minimum gift of $2,000 and build over a five-year period. Presently, 9 funds are utilizing this option.
# Donor Advised Funds

These funds allow the donor to remain active in the giving process. Individuals who establish donor advised funds may make grant recommendations to the Board for specific charitable organizations and projects.

To the Board of Directors of
Beckley Area Foundation, Inc.
Beckley, West Virginia

We have audited the accompanying financial statements of the Beckley Area Foundation, Inc. (a non-profit corporation), which comprise the statement of financial position as of March 31, 2016 and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Beckley Area Foundation, Inc. as of March 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Beckley Area Foundation, Inc.'s 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated June 22, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended March 31, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

BECKLEY AREA FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Nature of Foundation

Beckley Area Foundation, Inc. ("the Foundation") is a not-for-profit community foundation incorporated under the laws of West Virginia.

The Foundation accepts donations to permanent endowment funds, invests and manages such donations, and distributes net earnings of the endowment funds as grants and scholarships, generally on an annual basis. Funds held include named unrestricted funds whose earnings are distributed solely at the discretion of the Foundation’s Board of Directors as well as funds whose earnings are distributed subject to the designation or advice of the donors. All distributions are subject to the approval of the Board of Directors.

Note 2 – Significant Accounting Policies

CONTRIBUTIONS: Contributions received are recorded at their fair market value on the date received. Contributions received for which the donor directs to be added to an endowment fund are reported as permanently restricted assets.

USE OF ESTIMATES: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported revenues and expenditures during the reporting period. Actual results could differ from those estimates as additional information becomes known.

CASH AND CASH EQUIVALENTS: Cash and cash equivalents consist of cash held in checking accounts. The checking accounts are insured to limits set by the Federal Deposit Insurance Corporation. At various times during the fiscal year, the Foundation’s cash in bank balances exceeded the federally insured limits.

INVESTMENTS: Investments are stated at their fair market value based on price quotations available in the open market and supplied by four local banking institutions, and all investments are readily marketable and subject to market risks in the amount such investments are recorded. Cash and equivalents consist of cash and money market funds. Dividends and interest earned, unrealized and realized gains or losses, trustee fees and administrative charges are allocated among endowment funds on a pro-rata basis.

PROPERTY AND EQUIPMENT: The Foundation capitalizes property and equipment expenditures over $400. This cost is charged to operations as depreciation on a straight-line basis over estimated useful lives of the assets. All assets currently on hand are being depreciated over five to seven years. Repairs and maintenance are charged to operations as incurred. The real estate is various parcels of property donated to the Foundation.

GRANTS PAYABLE: Grants and scholarships awarded by the Foundation are approved by the Board of Directors and recorded as expenditures at the time of approval.

FUNCTIONAL EXPENSES: Since the Foundation performs no program services and does not conduct a formal fundraising campaign, all operating costs and expenses are considered general and administrative.

GEOGRAPHIC CONCENTRATION: The Foundation receives its donations and awards grants and scholarships primarily in Raleigh County, West Virginia and counties contiguous thereto.
Note 2 – Significant Accounting Policies (Continued)

INVESTMENTS AND SPENDING POLICIES: The Board of Directors of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. The Foundation classifies as permanently restricted net assets (1) the original value of gifts donated to the permanent endowment, (2) the original value of subsequent gifts to the permanent endowment, and (3) accumulations to the permanent endowment made in accordance with the direction of the donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed in UPMIFA.

The Foundation considers (1) the preservation of the fund, (2) the purposes of the Foundation and the donor-restricted endowment fund, (3) general economic conditions, (4) investment returns, and (5) the investment policies of the Foundation in making a determination to appropriate or accumulate donor-restricted endowment funds.

In order to satisfy its long-term objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation to achieve its long-term return objectives within prudent risk constraints. The goals of the Foundation’s investment policy are to provide maximum income commensurate with safety of principal and achieve stable capital growth.

To achieve its long-term investment goals the Foundation invests in obligations of the United States government, obligations of agencies of the United States government, mutual funds, corporate bonds and equity holdings. The investments are held in the trust departments of four local banking institutions which are given guidelines on diversification of assets to avoid undue risk concentration.

Subject to the terms of any fund agreement, the Declaration of Trust and / or West Virginia law, the amount that the Foundation makes available for grants from each fund is calculated by computing 3.5% of the twelve quarter rolling average of the market value of the fund as of December 31st of each year. Grants are reviewed and approved by the Board of Directors.

Should the total market value of any fund fall below the initial principal plus additional contributions to the principal, no distributions will be made unless authorized by the fund agreement or the Board of Directors as permitted by law.

DONATED FACILITIES AND SERVICES: A local banking institution provides office space to the Foundation. The estimated fair value of utilizing these facilities is based on information provided by the bank and is reflected as both contributed revenue and facilities expense in the statement of activities.

Many individuals have made significant contributions of their time to manage and operate the Foundation. The value of this contributed time is not reflected in these financial statements since it is not susceptible to objective measurement or valuation.

LEASES: The Foundation entered into an annual lease for office space that is renewable for one year at the end of the lease term. Rent expense under this lease was $4,900 for the year ended March 31, 2016.

NON-CASH GIFTS: When gifts are received for non-cash assets, the Foundation uses available resources to determine the fair value of the gift and recognizes revenue at that amount.
Note 2 – Significant Accounting Policies (Continued)

CLASSIFICATION OF NET ASSETS: The Foundation reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted as required by the Financial Accounting Standards Board in its Accounting Standards Codification Topic 958 – Not-for-Profit Entities (FASB ASC Topic 958).

Interest, dividends, unrealized and realized gains or losses from various named unrestricted donor-designated funds, contributions not classified as temporarily or permanently restricted, the four general discretionary board-designated endowment funds and the operating non-endowment fund are classified as unrestricted net assets in the financials.

Temporarily restricted net assets consist of contributions received with donor stipulations that temporarily restrict the use of the donated assets. When the donor restrictions expire due to a time restriction ending or a purpose restriction being fulfilled, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Net assets released from restrictions for the year were for grants, scholarships, administrative fees, trustee bank fees and neighborhood investment program (NIP) fees. Temporarily restricted net assets consist of the realized and unrealized gains or losses, interest and dividends earned by donor restricted endowment funds and the cash value of a life insurance policy that names the Foundation as the beneficiary.

Permanently restricted net assets contain a donor-imposed stipulation that neither expires at a certain period of time nor can be fulfilled or removed by the actions of the Foundation. Trust agreements signed by donors permanently restrict the fair value of the original gifts as of the gift date and the original value of subsequent gifts. Certain trust agreements also permanently restrict a percentage of the interest and dividends earned by the fund to be reinvested into principal and are classified as permanently restricted net assets.

ADMINISTRATIVE FEES: The Foundation’s policy is to assess each fund maintained a monthly administrative fee calculated by multiplying the market value of each fund by .05%. These fees are used by the Foundation to pay for administrative costs incurred in maintaining the funds and managing the Foundation. The Foundation is able to waive the monthly administrative fee if management determines the fees are not needed for operations. Administrative fees for the years ended March 31, 2016 and 2015 were $234,328 and $234,608 respectively.

For financial statement purposes, the administrative fee income assessed by the Foundation for the funds is netted against the administrative fee expense recognized by the funds. These amounts net to zero.

FAIR VALUE OF FINANCIAL ASSETS AND LIABILITIES: The Foundation follows FASB ASC Topic 820 - Fair Value Measurements which introduces a framework for measuring fair value of certain assets and liabilities. FASB ASC Topic 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. FASB ASC Topic 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value: Level 1 – Quoted prices in active markets for identical assets or liabilities; Level 2 – Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.
BECKLEY AREA FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS

Note 2 – Significant Accounting Policies (Continued)

INCOME TAXES: The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been recorded. There were no unrecognized tax benefits identified or recorded as liabilities for the years ended March 31, 2016 and 2015.

The Foundation is generally no longer subject to examination by the Internal Revenue Service for fiscal years beginning before March 31, 2012.

ENDOWMENT FUNDS: The Foundation’s endowment consists of approximately 451 individual donor-restricted funds established for a variety of purposes and four general unrestricted board-designated funds. Net assets of the endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Note 8 – Market Decline in Endowment Fund Assets

The Foundation does not guarantee losses in the market value of investments if the investments’ values decline to an amount where the underlying value of the funds is less than amounts donated to the fund. Accordingly, the Foundation may administer funds that have valuation deficiencies, and has adopted a policy suspending grants from funds if such a deficiency exists. At March 31, 2016 and 2015, deficiencies of $18,067 and $1,438 existed respectively.
Note 9 – Cash Surrender Value of Life Insurance

The Foundation is the owner and beneficiary of a life insurance policy. The donor of the policy contributes the annual premiums to the Foundation, which in turn remits the premium to the life insurance company.

Note 10 – Prior Year Summarized Comparative Information

The statements of activities include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Foundation’s financial statements for the year ended March 31, 2015 of the prior year, from which the summarized information was derived.

Note 11 – Subsequent Events

The Foundation has evaluated subsequent events and transactions as of June 23, 2016, the date the financials were issued. No subsequent events or transactions had occurred that would have materially impacted the financial statements as presented.
Community Report for Fiscal Year 2016  
April 1, 2015 – March 31, 2016

"It’s been such an eye opening experience. Serving on the Board and Distributions Committee has made me very aware of not only the problems facing our area, but more importantly that there are so many people working together to fix them. I feel honored to be a part of that."

- Cindy Turner, '15-'16 Distributions Committee Chair

Annual COMMUNITY GRANT PROGRAM

Beckley Area Foundation’s Community Grant Program seeks to meet the community’s emerging and changing needs in the areas of arts, education, health and human services, public recreation and civic beautification.

Eligibility

To be eligible for a grant from the Beckley Area Foundation, applicants must be a non-profit organization tax-exempt under section 501(c)3 of the Internal Revenue Code, or they must be a public institution. BAF does not accept requests on behalf of individuals or groups that do not have recognition as a non-profit charitable entity or public institution. Programs funded through BAF’s annual community grant process must serve Raleigh County.

Application Forms

The required cover sheet and grant program guidelines for the Annual Community Grant Program can be obtained by accessing our website at www.bafwv.org, by calling the BAF staff at 304-253-3806 or by visiting the BAF office at 129 Main St., Suite 301, Beckley, WV 25801 (third floor of the United Bank building).

Grant deadline

Applications must be postmarked or hand delivered by December 15. Applicants are encouraged to contact the BAF staff prior to beginning the application process. During the review process BAF staff or distribution committee members may contact applicants for supplemental information.

Amount of Request

Maximum for request is $7,000.00. Favorable consideration is given to requests that show additional sources of project funding (cite sources of full or partial match) and/or in-kind support. Prioritize requests for multiple purchases; this facilitates partial grant awards when it is impossible to provide total funding. Submit only one grant proposal per charitable organization.

In the last 15 years, BAF made 1484 Community Grants totaling over $3 million.

Left: During a summer reading program funded by BAF at the Shady Spring Public Library, Jackson Farrish enjoyed getting his face painted as Leonardo, his favorite Teenage Mutant Ninja Turtle.

Gratitude.
Admiration.
Appreciation.

Just a few of the words that come to mind when we think of our loyal volunteers and donors. Without your generosity and dedication, we wouldn’t be able to achieve all of the incredible things you see in this report and more importantly in our community.

Moving Forward...
We welcome the following new board members, Tom Lemke, Lee Milam, Margaret Njoku, and Amanda Sauchuck. We look forward to working together to enhance life in Raleigh County.

Giving Back...
Thank you to Hazel Burroughs, Jon Calfee, DF Mock, and Bill O’Brien, whose term ended this past March. During their time on the Board, they gave so much back to our community and we are grateful for their time and dedication.
